

Terms and Conditions of use of this Halo Technology Online Service

Accessing any pages on this online service implies that you agree to the following terms and conditions of use of this online service.

These terms and conditions contain provisions which appear in a similar text style to this clause in order to draw your attention to such clauses because they:

- may limit the risk or liability of the Halo Technology Group or a third party; and/or
- may create risk or liability for you; and/or
- may compel you to indemnify the Halo Technology Group or a third party; and/or
- serve as an acknowledgement, by you, of a fact.

1. Disclaimer

- 1.1. Whilst every effort has been made by Halo Technology (Pty) Ltd ("Halo Technology"), and its suppliers of information, to ensure the proper performance of this online service, the accuracy of the information/images and the reliability of the binary data on this online service, Halo Technology, its affiliated companies, suppliers, or any of their employees, do not, to the full extent permitted by law, guarantee the availability or accuracy of the services, content and/or information offered on this online service ("the Service/s").
- 1.2. Halo Technology makes no representations or warranties, whether express or implied, and assumes no liability or responsibility for the proper performance of the Services and the Services are thus used at your own risk. In particular Halo Technology makes no warranty that the Services will meet your requirements, be uninterrupted, complete, timely, secure or error free.
- 1.3. This site may contain hyper-links to third party sites. Halo Technology is not responsible for the content of, or the services offered by those sites. The hyper-link(s) are provided solely for your convenience and should not be construed as an express or implied endorsement by Halo Technology of the site(s) or the products or services provided therein. You access those sites and use their products and services solely at your own risk.

2. Indemnification

- 2.1. To the full extent permitted by law, you indemnify and hold Halo Technology harmless against all and any loss, liability, actions, suites, proceedings, costs, demands and damages which arises directly or indirectly out of a breach of the terms of these terms and conditions by you or arising out of or in connection with the failure or delay in the performance of the Services or your use of the Services, (including direct, indirect, special or consequential

damages), and whether in an action based on contract, negligence or any other action, or the use of the Services, other than in respect of losses caused by Halo Technology's gross negligence or intentional misconduct.

- 2.2. Without affecting the generality of 2.1 above, Halo Technology shall not be liable to you for any breach of these terms and conditions or failure to perform any obligations as a result of technical problems relating to its network, termination of any licence to operate or use the network, act of God, government control, restrictions or prohibitions or other government act or omission, whether local or national, act of default of any supplier, agent or sub-contractor, industrial disputes or any other cause beyond Halo Technology's control.

3. Use of services

- 3.1. You may only use the Services for lawful purposes, and you warrant that you shall not:
- 3.1.1. use the Services to receive or transmit material which is in violation of any law or regulation, which is obscene, threatening, racist, menacing, offensive, defamatory, in breach of confidence, in breach of any intellectual property rights, or otherwise objectionable or unlawful;
 - 3.1.2. use the Services for the transmission of "junkmail", "spam", "chain letters", or unsolicited mass distribution of SMS;
 - 3.1.3. other than for your personal and non-commercial use, store on your computer, or print copies of extracts from this site, and you may not, other than for your personal and non-commercial use, "mirror" or cache information provided via this site on your own server, or copy, adapt, modify or re-use the text or graphics from this site without prior written permission from Halo Technology.

4. Privacy policy and HALO Technology's Statement of privacy

- 4.1. Halo Technology and all its associated companies are committed to respecting the privacy of your personal data. To demonstrate its commitment, Halo Technology has created this Security and Privacy Statement in order to communicate its intent to provide effective processes for the appropriate handling of such private information and to comply with applicable legislation that governs the authentication, protection and disclosure of personal information.
- 4.2. What types of information are Halo Technology collecting, and how do we do it You will be able to explore the majority of the Services offered on this site without us collecting any identifiable information from you. For the purpose of business communications, administration and transacting Halo Technology may collect and/or use personal information, for example: your name, address, telephone number, e-mail, current geographical location and/or account details. This will enable Halo Technology to:

- respond to queries or requests submitted by you;
- process orders or applications;
- resolve problems with goods and services previously supplied; and/or
- create products or services that may meet your future requirements;
- Halo Technology will use, collect, store, process, transmit or otherwise handle private information only with the knowledge and consent of you, our customer.

4.3. The use of Cookies:

Halo Technology may store some information (commonly known as a "cookie") on your computer when you visit our web site. This enables Halo Technology to recognise you during subsequent visits. The type of information gathered is non-personal (such as: the IP address of your computer, the date and time of your visit, which pages you browsed and whether the pages have been delivered successfully. Apart from merely establishing basic connectivity and communications, Halo Technology may also use this data in aggregate form to develop customised services - tailored to your individual interests and needs. Should you choose to do so, it is possible (depending on the browser you are using), to be prompted before accepting any cookies, or to prevent your browser from accepting any cookies at all. This will however cause certain features of the web site not to be accessible.

4.4. What about the security of my personal data?

Halo Technology has implemented technology, policies and processes aimed at protecting the confidentiality, integrity and availability of your personal information. We will update and refine these measures on an on-going basis. Please note that Halo Technology cannot be responsible for the privacy policies and practices of other sites you may access using links from this Service. We recommend that you check the policy of each site you visit and that you contact that specific organisation if you have any concerns or questions. Please be aware that internet communications are inherently insecure unless they have been encrypted. Your communications may be routed through any number of countries before reaching this site. Halo Technology therefore assumes no responsibility or liability of any nature whatsoever for the interception or loss of personal information beyond our control.

4.5. Will Halo Technology disclose any of my personal information?

Halo Technology does not distribute any of your personal information to third parties; unless it's required to deliver the products or services requested by you. In addition, Halo Technology will not sell your personal information to third parties unless you give us your specific permission to do so. For example, we may disclose your data to a credit card company to obtain payment for a purchase you initiated. It may also be necessary to pass on your data to a supplier who will deliver the product on order. In addition, Halo

Technology may be obligated to disclose personal information to meet any legal or regulatory requirements of applicable laws.

- 4.6. Amendments to this Security and Privacy Statement:
Halo Technology reserves the right to amend or modify this Security and Privacy statement at any time in response to new privacy legislation.
- 4.7. Whilst your name and e-mail address which is supplied to us when registering for the Services will not automatically be made available to the recipient of your SMS, we nevertheless are able to trace the source of an SMS, and such information will be made available to the authorities if required by law.
- 4.8. Monitoring or recording of your calls, e-mails or SMS's may take place for business purposes to the extent permitted by law, such as for example quality control and training for the purposes of marketing and improving the Services. However, in these situations, we will not disclose information that could be used to personally identify you.
- 4.9. You agree that Halo Technology may, to the full extent permitted by law, receive or disclose your personal information, documents, detailed call records, credit profile information and/or any other credit information from or to any of Halo Technology's shareholders, related entities, suppliers, agents, professional advisors or any company within the Halo Technology Group for marketing purposes, subject to your right to restrict receipt of unwanted marketing material or other rights in terms of the Consumer Protection Act, 2008.
